Sir,

AICTE in its 49th meeting of the Council held on 14th March, 2017 approved a package of measures to be implemented by all technical institutions approved by AICTE to improve the standards of technical education and to provide competent technical manpower for the nation.

In order to improve the employability of the students by imparting required skills and making them industry ready, it has been decided by AICTE to introduce mandatory internship for students from the session 2017-18.

To facilitate internships to the students, AICTE has been identifying organizations/Ministries both in India & abroad and signing MoUs. These will be communicated to you from time to time. AICTE has recently signed an MoU with **Internshala**. Students can use Internshala platform for **free** internships. A brief about Internshala is as under:

Salient features of Internshala

- Top companies use Internshala for providing internship.
- All the internships and organisations are verified before listing them on platform ensuring students' safeguard
- Internshala lists only with stipend internships (except for NGOs).
- More than 400,000 internships are listed on the platform every year in Engineering, Management, Design, Architecture, Law, Applied Arts and other domains.
