From the Principal's Desk

Dr S P Subramaian
Principal

I am extremely happy that our senior students have created a friendly and pleasant atmosphere in the campus which is well appreciated by first year students and their parents. I can certainly claim that our campus is 100% ragging free and the first year students feel comfortable and relaxed.

Congratulations to all senior students for creating such a peaceful atmosphere in the campus conducive for academic growth. This will help all students to concentrate more on their studies and staff to dedicate more on their responsibilities. All this will definitely improve the performance of Sreepathy family which will lead to better reputation of College, results and so on.

Together let us climb further up.

Best Wishes

Message from the Secretary

Sri. K Vijayan
Secretary

I am delighted to mention that we are nearing 100% admission in 1st year B.Tech Course in the college. Also it is highly encouraging that we are one among the top 10 colleges in Calicut University in terms of examination results. Both these achievements are the outcome of the hard work and commitment of our Principal, staff and students.

I congratulate all of you and offer all support from the Sreepathy Trust in the journey ahead.

Best wishes for a Happy ONAM
