NATURE CLUB

Mechanism for Nature club

1. Introduction:

SIMAT provides a mechanism to students and staffs for nature consciousness, to love nature. Nature club of SIMAT was set adhering to the guidelines provided by the Academic advisory committee of SIMAT.

Nature club can support college education. It can inspire students to have a cleaner, greener environment. This club helps to make a cleaner greener campus. Overall it can promote the love for nature of the individuals.

The Nature club aims at inculcating in students a healthy relationship with Mother Nature. It encourages students to appreciate nature and work towards preserving it.

2. Objectives:

- Nature club help in bettering interdepartmental relations.
- To sensitize, create awareness, motivate and educate students about environment conservation
- New Tree plantation, Powerpoint presentations on Ecosystem
- To conduct Field Trip activities
- To conduct Exhibitions on Environment
- Environmental Cleanliness
- To conduct slogan competitions, drawing competitions for school children with prizes for the winners.
- To organize Adventure Activities
- To organize Snake and Dog Bite Awareness Programme
- Environment Education Camps
- Animal Welfare Activities
- Open Butterfly Garden

- Publications of nature friendly pamphlets and distribution of the same.

3. Mechanism:

Nature club can conduct awareness classes for the students in the college. It can help in conducting awareness classes in and around the campus. Promote nature based themes in society. Nature club can make the campus greener.

4. Nature club:

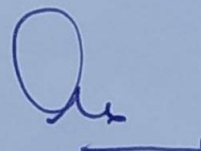

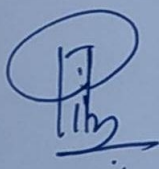

The core committee **Nature club** would be constituted by the principal as chairman, one convener, two nature club staff members and two student representatives (one male and female representative). Except chairman of the club all other office bearing posts may be changed every year as per the direction of chairman.

5. Functions:

- To organize tree plantation
- To involve students in preserving nature.
- To conduct special awareness sessions for students.
- To give awareness to the society.
- To inculcate the hobby of enjoying nature and preserving the same.

6. Procedure **Nature club work is as given under :**

- a. Club meetings are conducted once in every semester / whenever necessary.
- b. Club can promote a green clean environment.
- c. Club helps in renovating gardens and trees on campus.
- d. Awareness sessions are conducted as and when needed.
- e. Students and teachers are given advice in conserving nature and living with nature.
