

SREEPATHY INSTITUTE OF MANAGEMENT AND TECHNOLOGY

VAVANOOR, PALAKKAD

SCIENCE CLUB

Mechanism for Science club

1. Introduction:

SIMAT provides mechanism to students and staffs for health consciousness, relaxation, physical endurance and for wellness. Science club of SIMAT was set adhering to the guidelines provided by Academic advisory committee of SIMAT.

Science club activities can support college education. Science club helps students acquire basic knowledge of Science. Science club help students develop a scientific way of learning. Science club develop students awareness of and concern for scientific issues in personal, social, environmental and technological contexts. Science clubs helps students to be a better technocrat.

2. Objectives:

The **purpose** of the **Science Club** is

- To promote an interest in the sciences,
- To experience the sciences above and beyond the classroom setting,
- To arouse and cultivate students' interest in learning Science.
- To encourage student to participate actively in the activities organized by the Science Club.
- To relate the use of science in effective learning of technology.
- To understand scientific knowledge through experiments.

3. Mechanism:

Science club conduct awareness classes, observation of important days, science quiz competitions, and science exhibition awareness on conservation and preservation of nature, promote good practices etc for the students in the college.

4. Science club:

The core committee of science club would be constituted by the principal as chairman, one convener, two science club staff members and two student representatives (one male and female representative). Except chairman of the club all other office bearing post may be changed every year as per the direction of chairman.

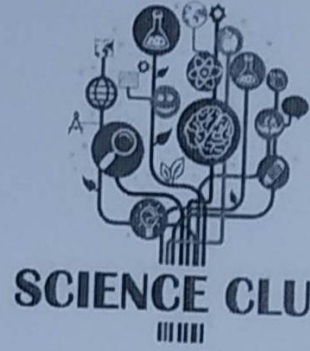

5. Functions:

- To organize expert lectures of eminent scientists.
- To conduct national science day.
- To conduct special sessions for staffs or students.
- To organize expo in association with other clubs.
- To organize various competitions etc.

6. Procedure for Science club work is as given under :

- a. Club meetings are conducted once in every semester / as and when needed.
- b. Science classes are given during bridge course.
- c. Organizing and conducting National science day every year.
- d. Promoting science among students.
