

Dear Sir/Madam;

Department of Training and placements, of **Sreepathy Institute of Management And Technology**, is extremely happy to announce the following placement drive for our **2015 passouts**.

COMPANY

CLAYSYS TECHNOLOGIES

DATE:04-03-2015, WEDNESDAY

COMPANY PROFILE

The company was founded with a vision to build a product that could create 'Futureproof' enterprise scale business applications, through the no-code paradigm. The name 'ClaySys' evolved from the vision of being able to mould 'Clay' into any form desired very easily, along with the ongoing ability to incorporate changes very easily too, by just re-molding the clay. ClaySys's development, services and support are housed in a 'Special Economic Zone' promoted by the Govt. of India, with state of the art facilities in Cochin, Kerala, India, while sales, marketing and account management activities are handled from various locations across the United States.
