

Dear Sir/Madam;

Department of Training and placements, **Sreepathy Institute of Management And Technology**, is extremely happy to announce the following placement drive for our **2015 passouts**.

COMPANY

RUBY SOFTWARES

DATE: 13TH MARCH 2015, WEDNESDAY(Friday)

Reporting Time 9.00 AM

COMPANY PROFILE

RUBY SOFTWARES is a software development company that specializes in Ruby on Rails (or simply **Rails**, is an open source web application framework written in Ruby) engineering. Ruby Softwares is a dual-shores company, with offices in Atlanta GA and in Trivandrum India. The company was built carefully and gradually over a period of five years, originally operating as a captive division of RevenueMed Inc – a 1,500-person business process outsourcing company. In 2011, Ruby Software was spun out into a separate organization. The company has experience in projects of varying scale – our most recent activity (just coming to a close) has been a multi-million dollar, two year project for a Fortune 100 banking giant.

POSITION

SOFTWARE ENGINEER.
