IEEE SIMAT Student Branch

09/10/2015

IEEE student branch of SIMAT observed IEEE day on 06/10/2015. The student branch organized various activities including IEEE members meet, General Quiz, Conversion of CFL to LED project etc. The session started with welcome speech by the Branch Counselor Smitha G, Assistant Professor, EEE Department. Prof. P V Thankachen, Head of EEE Department addressed the IEEE members focusing on the concept "Entrepreneurship for a better tomorrow". Mr. Jishnu Prakash K P, SIMAT SB Chair delivered the vote of thanks. 18 student members had attended the General Quiz of duration 15 minutes and the winners were Anjali R (S5 CSE), Arun Jathavedan (S5 CSE) and Panchami Mohan (S5 CSE). The first two toppers were selected for the Hub level general quiz scheduled on 10/10/2015 in GEC, Thrissur. In line with IEEE day theme, "Leveraging Technology for a Better Tomorrow", the IEEE student members are also engaged in a small technical project of converting CFL to more efficient LED, under the guidance of Mr. Sebin Sunny P, Assistant Professor, EEE Department. The student members had also taken some photos so as to send to the IEEE day International photo contest.

Prof P V Thankachen officially inaugurating the IEEE day observation by cutting the cake
