SESSION ON ANNTIDRUG

A talk on antidrug was conducted for S1 Mechanical Engineering students on 15th October 2015 in the seminar hall. The session was handled by Mr. K.G Venugopal, Superintendent – Narcotics Control Bureau, Ernakulam. Prof. Thankachan P.V delivered the welcome address and Mr. Sebin Sunny P felicitated the event.

The Narcotics Control Bureau is the apex coordinating agency. It also functions as an enforcement agency through its zones and sub-zones. The zones and sub-zones collect and analyze data related to seizures of narcotic drugs and psychotropic substance, study trends, modus operandi, collect and disseminate intelligence and work in close cooperation with the Customs, State Police and other law enforcement agencies.

Mr. K G Venugopal started his talk with an introduction of The Narcotics Control Bureau and its role in present day community. The session was meant for drug awareness. He explained various after effects of drugs and commonly available drugs in the market. The different classifications of drugs and different unhealthy methods followed by students were explained in his session.
