ABOUT YOUNG ENGINEERS' PROGRAM (YEP) of HCL TalentCare

The Young Engineers' Program (YEP) of HCL TalentCare is a 6 month, full time, residential career development Self-Student funded program

Program Features:

- YEP is a 3 month on-campus learning module and a 3 month on-job training module.
- The campus module is conducted at our world-class learning center at Hyderabad and consists of classroom training, practice labs, assessments, counseling support and industry participation in the curriculum.
- On completion of the campus module, learners are deployed into live roles for On-Job Training for a period of 3 months where they have an opportunity to translate their skills into action in a real workplace environment.
- During this time, the learner is also expected to successfully pass a range of International certification exams from recognized technology certification bodies.

- The learner is paid a stipend during the On-Job Training period of the program.
- YEP has program fee applicable and loan is enabled as needed(It is an Assured Placement model)

YEP Program Scholar benefits:

On successful completion of the entire program, the YEP Scholar receives -

1. Assured Placement in a job with HCL TalentCare and deployment into projects across a variety of global Technology companies at locations across India at an attractive salary and benefits package.
2. A bundle of industry recognized, premium certifications for technical, professional and communication skills (For example, ISTQB, RHCSA, CCNA, MCSA)
3. An HCL TalentCare Alumni membership with access to our online learning portal and career counselling for a period of 3 years.
4. A voucher for an upgrade certification exam to be used within a period of 3 years.
