15/05/2017

National Technology Day Celebrations 2017 (Supported by KSCSTE)

As a part of National Technology Day celebrations several programmes were organized at Sreepathy Institute of Management And Technology with the support of **KSCSTE** (Kerala State Council for Science, Technology & Environment) & **IEDC** (Innovation & Entrepreneurship Development Center supported by KSUM) during 11th, 2th, 13th & 15th of May 2017. The formal inauguration of NTD'17 was conducted on 15th May 2017. Robotics Workshop, Industrial Visit, Expert Talk, Project Expo & Idea pitching competitions were conducted as a part of NTD'17.

NTD'17 Inauguration & Robotics Workshop (15th May 2017)

The formal inauguration of NTD'17 was conducted on 15th May 2017. The inaugural event started with a silent prayer followed by the welcome address delivered by Mr. Sebin Sunny P (IEDC Nodal Officer). NTD'17 Celebrations were inaugurated by Sri. Mohanan (Nagalassery Block Panchayath Member, Vavanoor). In his inaugural talk he stressed the importance of technology in real life. Dr. George C T (HoD, AS&H Dept. SIMAT), Prof. Thankachen P V (HoD, EEE Dept. SIMAT) & Mr. Prem Kumar (Administrator, SIMAT) felicitated the event. Mr. Seeyenan E.K (IEDC Asst. Coordinator) delivered the vote of thanks. 30 students from different schools near SIMAT and 50 students from various departments of SIMAT attended the inaugural event. After the inauguration an expert talk on Innovation and technology was organized for engineering students. Dr. E D Dias (Associate Professor, St. Aloysius College, Thrissur) handled the session.

Inaugural Address by Sri. Mohanan (Block Panchayath Member, Nagalassery)

Expert Talk on Innovation & Technology by Dr. E D Dias
(Asso. Prof, St. Aloysius College, Thrissur)

Begin Robotics, an awareness workshop on robotics, was organized for school students on 15th May 2017 after the inaugural event. The workshop started with an introduction to the history of robotics and students were given simulation exercises on the basic movements of rover bots. The simulation exercises were followed by hands on session in which the students were familiarized with arduino development boards and sensor interfacing. The workshop was handled by Mr. Sarath K (S Cube Technologies)

Begin Robotics (Robotics Workshop)

Industrial Visit (11th May 2017)

An industrial visit to Kapoor Industrial estate was conducted on 11th May 2017 as a part of National Technology Day Celebrations. 60 students from several engineering departments attended the visit. Aron International (Copper Manufacturing), Plasmake (Injection Molding), Dianaplast(Power Looms) & Prince dye making were visited.

Industrial Visit

Project Expo & Competition (12th May 2017)

As a part of National Technology Day Celebrations 2017, a project exhibition and competition was conducted for engineering students. 12 project teams participated in the competition. 3D Printer (Sreejith P. D, Sruthy, Swetha K, Sreehari & Sudheep-2013 EEE Batch) won the first prize and Smart Audit Andro Board (Arjun P Warrior & Mahesh – 2013 EEE Batch) won the second prize.

Project Exhibition & Competition

Idea Pitching Competition (13th May 2017)

As a part of NTD'17 celebrations, Idea pitching competition was conducted on 13th May 2017. 5 teams participated in the event. Mr. Vshnu C V & Mr. Nithin T (2014 Batch) won the first prize for presenting their idea, EduMate, an app companion for KTU students.
