India Innovation Challenge 2017

A presentation and registration training on India Innovation Challenge 2017 was conducted on 16th September 2017. India Innovation Challenge was organized by Texas Instruments in collaboration with Department of Science and Technology (DST), NSRCEL, Indian Institute of Management, Bangalore (IIMB) and supported by Govt. of India. The contest is open for all Indian engineering students pursuing undergraduate, postgraduate & Doctoral degrees with Indian engineering colleges. The presentation and training was organized by IEDC in association with Dept. of EEE. Mr. Sebin Sunny P (Nodal Officer, IEDC SIMAT) presented the details of the competition, basic eligibility criteria, contest structure and how to fill the application form.

Seven student groups from various departments participated the event and registered for the competition. Following are the projects registered for the competition.

1. Smart Pantry (Group Lead: Shibin A, EEE 2014 Batch)
2. Portable Incinerators (Group Lead: Mohammed Shanab V V, EEE 2014 Batch)
3. Desktop Organic Waste Decomposer (Group Lead: Vishnu S Menon, EEE 2014 Batch)
4. Manhole Savior (Group Lead: Jesvin Jayson C, EEE 2015 Batch)
5. Unauthorized Vehicle Entry Detection Device (Group Lead: Prathap S S, CSE 2015 Batch)
6. Smart Wheel Chair (Group Lead: Raneesh Babu, ME 2014 Batch)
7. Smart Vehicle Monitor (Group Lead: Renveer A R, ME 2015 Batch)
