ABOUT US

Sreepathy Institute of Management and Technology (SIMAT) is the offspring of the Sreepathy Trust which is formed with the collective participation of dedicated technocrats, engineers, industrialists and individuals having the common goal of establishing a platform to promote quality higher education and research avenues in professional discipline. The devoted teaching faculty of SIMAT with consistent academic records has been instrumental in molding students into better persons both professionally and personally. The institution has the track record of producing University rank holders including two First Rank holders in Computer Science and Engineering under University of Calicut.

Consistent high Placements and Outstanding results mark unique performance of the institution which inculcates social commitment among students paving way to the nation building.
