REPORT

JUNE 2023

PHOTOGRAPHY COMPETITION (05/06/2023)

As a part World Environment Day, volunteers of NSS UNIT 233 SIMAT organized a photography competition to celebrate the intricate relationship between humans and nature. The competition aimed to raise awareness about environmental conservation and encourage participants to explore and capture the essence of the bond between humans and nature through photographs. Many of the students participated in the contest and submitted their entries before the deadline. The winner of the competition was Nimmi. U (S2, ECE).

YOGA DAY (21/06/2023)

NSS unit 233 conducted a yoga session on the occasion of the International Yoga Day i.e., on June 21st, 2023. All the volunteers and students were asked to gather at college auditorium at 3 P.M. The program was organized under the supervision of Mr. Ratheesh T (Assistant Professor, Physical Education, SIMAT) Sir. The program was started with a note on the importance of yoga, presented by the P.T sir. Along

with the presentation, the P.T sir also made the students perform few yoga asanaas. With the help of seniors, the students were able to perform the asanaas. It was one of the important sessions for all of us as it helped us know the importance of yoga in our daily life. The program was successful and it was completed at 4 P.M.
